Working with Neglect

Aims: To promote good practice and raise awareness of the impact of Neglect on children and young people and how we can work together with this challenging area of practice to improve outcomes

Objectives:

- To help practitioners develop analytical and reflective skills regarding Neglect
- To advise practitioners of different methods that can be developed
- Multi-agency working with Neglect

Target Group: All designated leads, people who make referrals, those who attend core groups or conferences from agencies such as Social Services, Probation, Health, Police, Education & Youth Offending Services. **If you have any less expertise than this please do not apply for this training.**

The South East Wales Safeguarding Children Board is a multi-agency partnership that has the strategic lead for safeguarding children in this region. One of the statutory duties of the Board is to provide safeguarding children training across agencies and sectors. This includes basic introductory courses to more specialised training.
